## PETITIONING THE COURT

To incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court on September 11, 2018.

The probation officer believes that the offender has violated the following condition of supervision:

[illegible]

8

**Special Condition #16:** You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** Mr. Matteson is alleged to have used methamphetamine on September 13, 2018.

On July 6, 2017, supervised release conditions were reviewed and signed by Mr. Matteson acknowledging his understanding of special condition number 16, which prohibits him from using a controlled substance.

On September 13, 2018, Mr. Matteson submitted to a drug screen. The specimen was sent to Cordant Health Solutions (Cordant) for confirmation. On September 21, 2018, Cordant returned a confirmed positive test result for the presence of Amphetamine and methamphetamine.
